

Mukhya Mantri Pragatisheel Kisan Samman Yojana

A) Objective: To motivate the progressive farmers for adopting best agriculture practices in increasing income from agriculture and allied sectors for contribution towards "Doubling of Farmers Income" by 2022 as initiated by Hon'ble Prime Minister. The recognition and honoring of progressive farmers will motivate them in achieving sustainable agriculture goals and also educate best agriculture practices to the fellow farmers. Under this scheme, selected farmers will be facilitated by providing cash prizes / awards for their outstanding work in Agriculture/allied sectors. To motivate farmers for their contribution towards achieving high productivity of various agriculture crops as well as adoption of new technologies such as water saving, crop residue management, sustainable agriculture, organic farming and integrated farming system practices, it is proposed that cash prizes / awards may be given to the achiever farmers on yearly basis.
